### WORK EXPERINECE

#### Tuna Technology / Brand & Ui Ux Designer

DEC 2022-JULY 2023 , BUTWAL - NEPAL

- **Product Design of Hotel Booking Software**

Designed a mobile app for a hotel chain with multiple branches that allows users to book rooms from any branch and learn about and order food from a single branch, with a flow that makes it easy to do both.

- **Krishi App ( Farmer App )**

Designed an app for farmers in Dhurkot Rular Municipality that provides farmers with information about crops, such as planting time, diseases, and cures. It also offers news, polls, and a ticketing system for selling crops to the rural municipality.

- **Abaka Mahila (Women Empowerment App )**

Designed a app tailored to empower women in Rural Tribhuwan Municipality that help to evaluate women empowerment levels and provide them valuable resources for personal growth and advancement.
